

MICHELIN® XLD® D1/D2

GET ALL THE BENEFITS OF MICHELIN®
RADIAL TIRE TECHNOLOGY!

With the MICHELIN® XLD® D1/D2 tire, you will get:

- Long-lasting tread life
- Stable, comfortable ride
- Excellent traction

THE TIRE OF CHOICE FOR:

LOADERS

DOZERS

GRADERS

The directional MICHELIN® L4/L5 radial tire for wheel loaders designed to provide high levels of stability, traction and protection combined with a cushioned ride for operator comfort.

Exceptional Performance:

- Excellent traction and flotation; outstanding stability; enhanced operator comfort; less vehicle damage

Excellent Productivity:

- Resistance to impacts and cuts means fewer flats

Low Operating Costs:

- Long-lasting, even-wearing tread pattern; durable with low rolling resistance for efficient fuel economy; easy to repair

MICHELIN® XLD® D1/D2

Excellent Traction

The aggressive, open tread pattern provides grip and traction.

Superb Operator Comfort

The staggered tread blocks combine to give operators continuous ground contact for a smooth ride.

Extra Protection

The rugged square-shouldered design offers stability and protection from cuts.
